

Wildlife Management Operative Vacancies

An exciting and diverse opportunity in an expanding midlands based Wildlife Management Company. We are seeking suitable applicants for the role of Wildlife Management Operative, both full and part-time positions available. This role will suit a person who has a practical interest in wildlife management and also has experience of hands on work. We are a long established Wildlife Management Services Company covering all aspects of wildlife management and bird control. Most of our work is Dublin based, however we operate nationally. Please visit www.wildlifemanagement.ie for further information on our company.

Job Description:

The successful applicants will be required to carry out a variety of duties. Some of these include:

- Installation of bird proofing
- Implementation of complete bird management programmes including the use of birds of prey
- Implementation of wildlife trapping programmes
- Promotion of and devising biodiversity and conservation projects
- Urban fox proofing work
- Wildlife surveys and reports
- Specialist cleaning work
- Inactive nest removals and roof repairs
- Mixture of residential and commercial work

Applicant Attributes:

Essential:

- Practical understanding of wildlife management in practice
- Respect and understanding of wildlife and also Irish and European Wildlife Legislation
- Carpentry experience or experience of similar hands on work
- Willingness to work at heights (training provided if required)
- Self-motivated and ability to use own initiative
- Good attention to detail
- Full clean driving license and own transport
- Physically fit for outdoor work
- Ability to converse with clients and customers

Desirable:

- Experience handling birds of prey
- Experience conducting surveys and reports
- Experience in installing bird proofing
- Previous experience in a similar environment or relevant qualification

Full training and PPE equipment will be provided.

Flexibility in working hours, Mon-Fri with occasional weekend work.

Some early morning and late evening working may also be required

Salary commensurate with experience

Permanent position subject to successful probationary period

Applications, CV and cover letter to info@wildlifemanagement.ie

References required.
